Price List – Worldwide Snow Reports, Ski Resort Data, Ski Weather & Geo Data

4. Discount with source reference

Ski resort Service International offers snow reports, ski resort data, ski weather and geo data at attractive prices. The prices are net prices **including (!)** the set up of the XML interface.

30% Discount with Skiresort source reference for ski resort data and snow reports

Ski resort Service International grants a discount of 30% when Skiresort is named as a source reference in all places where ski resort data and snow reports are integrated. The Skiresort logo (www.skiresort-service.com/en/press/logos/) and/or the lettering of www.skiresort.info will be integrated and active links to www.skiresort.info will be set in online media (therefore, www.skiresort.info URL directly in href and without rel="nofollow" as well as no Java script or similar links).

Examples

Source: www.skiresort.info

30% discount with wetter.net/skiresort.info source reference for ski weather

Ski resort Service International grants a discount of \approx 30% when wetter.net and skiresort.info are named as source references in all places where the weather data is integrated. The Wetter.net logo and the Skiresort.info-Logo and/or the lettering of www.wetter.net and skiresort.info will be integrated and active links to www.wetter.net and skiresort.info will be set in online media (therefore, www.wetter.net and www.skiresort.info URLs directly in href and without rel="nofollow" as well as no Java Script or similar links).

Examples

Sources: www.wetter.net and www.skiresort.info

Price List – Worldwide Snow Reports, Ski Resort Data, Ski Weather & Geo Data

5. Conditions of use

The snow reports, ski resort data, ski weather reports and geo data are only to be used for your own medium / website and may not be transferred externally or integrated into other websites. The snow reports, ski resort data, ski weather reports and geo data can only be used during the agreed upon time period and must be deleted after the licensing period has ended. Skiresort Service International must be informed of your medium / website and Skiresort Service International is allowed to use it as a reference (if this is not desired, please contact us). If you would like to transfer the data externally, please contact us. We will provide you with a special offer or welcome you to participate in our partner programme for reselling. Any unauthorised transfers of data will result in an immediate shutdown of the interface as well as a claim for damages.

If you would like to use the data for multiple media / websites that belong to you, the following prices would apply:

- 1 - 2 media / websites: above price calculation
- 3 - 5 media / websites: +25%
- 6 - 9 media / websites: +50%
- Prerequisite is that all media / websites are communicated.

Automatic extension: The contract is automatically extended on the 01.10 of each year for the following year. The contract can be cancelled at any time by either party before the automatic extension within a four week notice period.

Price List – Worldwide Snow Reports, Ski Resort Data, Ski Weather & Geo Data

Price List – Worldwide Snow Reports, Ski Resort Data, Ski Weather & Geo Data

Order form page 2

Conditions of use: The data (concerning the order for snow reports, ski resort data, ski weather and/or geo data) is only to be used for the medium / website (or multiple media / websites) listed above and may not be transferred externally or integrated into other websites. The data may only be used during the agreed upon time period and must be deleted after the licensing period has ended. Skiresort Service International is allowed to use your medium / website (media/websites) as a reference. Unauthorised transfer of data will result in an immediate shutdown of the interface as well as a claim for damages.

***For orders with integration of the Skiresort and/or Wetter.net source reference:** Skiresort will be shown as a source reference in all places where the snow reports and ski resort data are integrated. The logo and/or the lettering of www.skiresort.info will be integrated and active links to www.skiresort.info will be set in online media (therefore www.skiresort.info URL directly in href and without rel="nofollow" as well as no Java Script or similar links). The same conditions apply for Wetter.net and skiresort.info concerning ski weather data.

Weather symbols:

The free weather symbols are to be used exclusively with the delivered weather data. If the weather data is no longer being used, the symbols must be removed and deleted immediately. The symbols shall only be used for the contractually agreed upon purpose.

Automatic extension: The contract is automatically extended on the 01.10 of each year for the following year. The contract can be cancelled at any time by either party before the automatic extension within a four week notice period.

Skiresort Service International offers the highest quality data. Nonetheless, claims for damages of any type with reference to the delivery of snow reports, ski resort data, ski weather data and geo data are excluded.

I hereby accept the conditions of use and order the data. This contract replaces all previous agreements concerning the access to snow reports, ski resort data, ski weather and geo data between the contract parties.
